

Udbyhøj Marina is scenically situated where Randers Fjord flows into the Kattegat. Here you have beautiful views to fjord and sea and access to a little beach.

The Harbour

There are tides in Randers Fjord, and in fair weather the tides change fairly regularly. The currents, however, are influenced by the wind. The harbour can be accessed both by day and by night. The speed limit in the dock is 2 knots. Dept 2-3 metres (Ill. in the map). The harbour is a member of "Frihavn".

Port facilities

- **Filling station** (Petrol and GLT fuel)
- **Masting crane**
- **Pier pump**
- **Slipway**
- **Electricity and water** (from all the jetties)
- **WC/shower**
- **WC/shower for disabled and families**
- **Washing machine and dryer**

Food and groceries

Havfruen offers food, cold drinks and ice cream. **Is & Pandekager** (300 m.) serves freshly backed pancakes and delicious ice cream. At the camping site **Randers Fjord Camping** you will find a small selection of groceries. The larger grocery store **Dagli'Brugsen Råby** (6 km.) can be reached using the harbour's bicycles for free.

Angling

Randers Fjord is known for its angling. Here you can catch flatfish, grey mullet, sea trout, mackerel, herring, garfish and more. See the harbours angling leaflet.

RANDERS
